Sir:

RESPONSE TO ELECTION REQUIREMENT

In response to the Official Action mailed July 24, 2002, please amend the above-identified application as follows:

IN THE CLAIMS

✓ Please cancel claims 13-36 without prejudice.

REMARKS

Reconsideration of the application as amended is respectfully requested. The Examiner has restricted examination of claims 1-36 in this application. Specifically, the Examiner restricted claims 1-12, which claim a system, to Group I, the Examiner restricted claims 13-21, which claim a device to Group II, the Examiner restricted claims 22-29, which claim a method

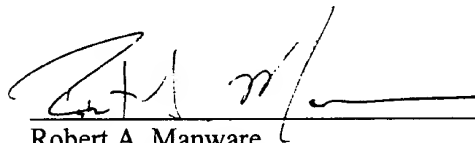

of manufacturing a device for implementing a standby mode in a system, to Group III, and the Examiner restricted claims 30-36, which claim a method of implementing a standby mode in a system, to Group IV.

Although Applicants do not necessarily agree with the Examiner's reasons for restriction, Applicants elect to prosecute claims 1-12 of Group I. Therefore, Applicants have canceled claims 13-36 with traverse for possible inclusion in a divisional application.

If the Examiner believes that a telephonic interview will help speed this application toward issuance, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,
